Creating a Book Trailer: Storyboard
Plan on pictures and text that represent your book.

Insert notes, links to images, ideas, quotes from the book, character names, events, images that represent the mood of your book, genre, and anything else you can think of.
Creating a Book Trailer: Storyboard
Plan on pictures and text that represent your book.

Put events in the order that you want them in your book trailer.

Print off more copies of this page if you need it!
