Summer Reading List:

Sanborn Reads this Summer

Dinosaurs didn’t read over the summer and we know what happened to them.

You are invited to read any book for your summer reading.

Share your title with #sanbornreads

“Students who read over the summer do better in all classes during the school year.”  
“92% of kids say they are more likely to finish a book they picked out themselves.”

Teachers spend between 4 to 6 weeks reteaching material students have forgotten over the summer, referred to as the “Summer Slide.”

The "Summer Slide" accounts for 85% of the achievement gap between lower income students and their middle- and upper-income peers.
